...building a movement of Italian students passionate about knowing God and making Him known...

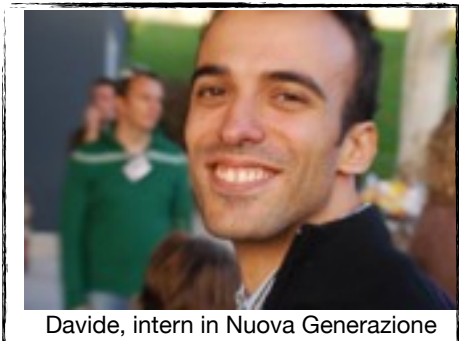

January 2010

Dear Friend,

26 Jan 10

## Raising up a New Generation

Italian disciples are being trained to be laborers in Italy- God is moving! By God's grace we have begun a formal discipleship and training program in Italy entitled, "Nuova Generazione" (or New Generation).

Davide, intern in Nuova Generazione

Davide, an intern in the program pleads: "Please help me see the preciousness of God in the Bible. I need to see Him more until He really becomes my everything."

Our leaders in Florence (where our Italian Headquarters are located) have worked hard at creating a program to train these young Italian interns. While this initial group is small (only 3), it is only the beginning. We hope to bring a similar to program to Rome in the near future and see young people trained to share and actively sharing their faith all over Rome. To read more on this program, click on <http://nuova.agapeitalia.eu>

## Thank you!

I appreciate you. As I send this letter, gratitude and a sense of humility fill my heart. I know that you give sacrificially of your resources as you support the work that God is doing in Rome. He is changing hearts there, and I am so privileged to be a part of it with you! I eagerly anticipate how God will continue to transform such a city in need.

## Completing my Prayer and Financial Team

Thank you for praying for God's continued provision. I am closing in on having the necessary finances to live and minister in Rome. I only have around \$1000 in monthly support left. *Would you pray that this month God would provide the rest of this support?*

**Will you pray with me?**  
5 people at \$100 monthly  
7 people at \$50 monthly  
9 people at \$25 monthly

If you know of a family member or friend that you think might join with us to see Rome reached for Christ, please e-mail or call me. I am trusting the Lord to finish my team of partners by the end of February so that I may return to Rome by Spring.

This New Year, may you be reminded of the new life Jesus offers.

With love,

Amos
